Dear Kevin Aubin,

In spite of numerous requests for payment, your account remains seriously delinquent.

Over the next ten (10) days a decision will be made as to which of the various collection alternatives should be initiated to recover our client's funds. As perhaps you are not aware, legal action is one of these alternatives. In order to avoid this type of action you should remit the full balance immediately. However, any payment plan other than the balance must be discussed with this office.

Please take notice that unless we receive the full balance within ten (10) days of the date of this letter, or unless we can agree to an alternative payment proposal, action may be brought against you without further notice.

Yours Truly,

Sales Manager
